Lenten Small Group Bible Study

We are excited to announce we will be starting a new small group Bible Study during this Lenten season called "**Belong**".

The study begins Wednesday, February 14th and focuses on belonging to Christ and how we can share the Gospel while sharing our lives.

You can sign up for a small group starting this Sunday. Sign-up sheets will be located on the table outside the church office.

Living Word Young Adults

We recognize that sometimes the young adult is forgotten in the life of a church. The young and college-age adults are cared for generously but then there seems to be a large gap for those in their 20's and even 30's. The need to make connections, get involved, and form relationships is so crucial during this time; which is why we believe the church needs to be active in it.

Every other Tuesday night throughout the year, Living Word offers a young adult Bible study!

Location changes once in a while as different individuals or couples open up their homes as hosts. The studies dig deeper into God's Word as fellowship is enjoyed. It is easy to jump in and out as life gets busy so come once or always. Please contact Greg Pavsek if you have questions. 507-337-9673.
