*Our Living Word Family:*

*“Words cannot express the appreciation that we have for everyone that supported our recent mission trip to Haiti. Your financial support, encouragement, and prayers provided us with the opportunity to share the Gospel in Haiti while also meeting the physical needs of numerous families through our work projects which included 2 home restorations, sharing Jesus’ love by hosting a Kids Club for over 130 Haitian children, assembly and distribution of water filters that will provide fresh water to 72 families for up to 10 years, and purchase and delivery of pairs of goats that will provide 10 families with an income source in the years to come. The Holy Spirit was also very active in the hearts of our mission team, with many eternal decisions made for Jesus. Glory to God! We can’t wait to share photos and stories with you! Please watch the announcements for the upcoming date and time we’ll be sharing between services. May God bless each one of you!”*

For several years, Living Word's prayers & donations have been supporting the tremendous ministry of **William Garrison (Osman Jama); Outreach Coordinator with Call of Love Ministries**, in Cincinnati, Ohio. The primary mission of *Call of Love Ministries* is to reach Muslims with the Gospel of Jesus Christ our Savior. William spends a lot of time speaking to groups; encouraging and equipping them to reach their Muslim friends, coworkers, and neighbors with the Good News. William will be with us on Sunday, April 22 for a **POTLUCK EVENT** at noon. He will share a message with us and answer questions about the impact of Islam on America and the growing need for evangelism at 12:30 pm. Please bring a warm dish to share.

***"With the flood of refugees coming to America, we as the Church, need to be equipped and ready to share the reason for the HOPE we have."*** WG
