WHAT WE'VE BEEN UP TO –

June was a packed month. We got to end the school year with the kids with a bond fire at our home and then I and 10 others left for Alaska on June 3rd. It was a challenging trip for many reasons, but I was proud of how hard the students worked and how well they served the native Alaskans and Camp AN. As challenging as it was, it was a joy to get to watch the Lord work in our students and the little Alaskans. We also kicked off our bible study in our home and had 26 students there the first night! I also started a College prep course for the graduated seniors, where we will be talking about how to get plugged into campus, churches, ministries and how to defend your faith from the many theories they will be exposed to.

WHERE WE'RE GOING -

July will be centered on our Momentum conference. I am very excited for this and cannot wait to see how the Lord uses it in our student's lives and our youth group. PLEASE notice that our parent meeting for this event is July 11th. We will go over last minute details and close the night with prayer. Summer bible studies will continue at our home on Sunday nights at 7:00pm, but we will not have it on the 22nd because of the conference. Please be praying for our kids this summer. Summer can be such a dry time of faith and they need our prayers.

*I Press on toward the goal to win the prize for which God has called me heavenward in Christ Jesus.

I would love to walk alongside you and your child as issues arise. Please reach out with any questions or concerns that you may have. - Greg
