Harbor Event (Red Baron Arena)

Sun. Sept. 30th -2:30pm – Youth
serving intermission @ MAFAC

*Ignite, Equip, and Sustain young
hearts to serve Jesus now and
forever.*

WHAT WE'VE BEEN UP TO –

It has been quite the summer. From Alaska to Indiana along with going through 1 Peter at bible study, we have covered a lot of ground and have grown in depth and numbers. We have been busy with trips but also ramping up for this school year. This summer was a good transition to making our program more intentional in a variety of areas. I felt the need to delegate more and am confident that our students will be reached and supported more than ever. I want our program to have intention and strategy behind everything we do, but I also feel that this must coincide with an atmosphere that feels loose for the kids. I have a strong feeling that the Lord has some exciting challenges and opportunities for our students this year and I know that they can do all things through Christ who gives them strength.

WHERE WE'RE GOING -

We will start the year off with John 15 with a message about abiding in Christ. I feel like we have a youth group ready to do kingdom work, but we must always stay connected to the true vine for our nourishment. The fruit for the Lord and others comes out of that

connection. We then are going to move into our series that will cover forgotten sins. The “little” sins that students struggle with and are justifying. I pray that the Holy Spirit will lead through it all. We also have many service opportunities at the end of the month by helping set up and tear down the Hope Harbor event and fundraising by serving bars and waters at the MAFAC Concert. We may need parents to make bars and cookies for the MAFAC event so stay tuned for more details.

PRAYER REQUESTS –

Please be praying for our students as they start their year. That they can make good habits and avoid falling back into old hurtful patterns or relationships. Also please be keeping all the leaders in prayer as well. Thanks for all you do.

“I am the vine; you are the branches. Whoever abides in me and I in him, he it is that bears much fruit, for apart from me you can do nothing.” – John 15:5
